2022 REGISTRATION IS OPEN NOW

Tuesday, July 6, 2021

2022 referee registration is now open for New Referees and Recertifying Referees.

New Referees can access registration here: [New Referee Registration](#)

Recertifying Referees can only register in the Arbiter. All course work is in on line clinics in Arbiter. Returning referees can access registration here: [Recertifying Referee Registration](#)

ALL persons 18 years old and above must also pass a Criminal Background History Check.

ALL persons 18 years old and above must also complete the SafeSport Training which is now mandated. No person can step on a field until this training has been completed.

The Eligibility Functions for 2022 have been temporarily disabled. Clinic and other requirements are still being recorded but there will be no displayed Eligibility Functions for 2022 until Arbiter has addressed the issue.

Courses for certification and recertification can be accessed from the On Line Clinics tab under Eligibility on the Central Hub. Actual 2022 Eligibilities may not be showing for some time. However, courses completed will still show in any future eligibilities.
