NCSRA COVID-19 OFFICIAL ANNOUNCEMENT

NCSRA's official position is that ALL referees immediately suspend all activities until we are cleared to resume through the appropriate authorities.

NCYSA has suspended all soccer activities with immediate effect, NCASA has advised all their members to do the same until further notice. NCSRA fully supports these actions to help prevent the spread of the COVID-19 virus, but more importantly to protect the health and safety of our entire referee family, soccer community to include the entire state and nation.

All youth game assignments to include upcoming tournaments, ODP and DA should have already been canceled, if you have not received confirmation check with your assignor(s). We expect the same over the next few days concerning all adult league games.

We also understand many of you may work unaffiliated games that do not fall under US Soccer, NCYSA, NCASA or perhaps games out of state. Our position remains the same and we **HIGHLY RECOMMEND** you suspend **ALL** refereeing activities immediately regardless of location or league. NCSRA, in cooperation with US Soccer, NCYSA and NCASA will be continually monitoring the situation and provide further guidance when available.

Thank you all for your full support and understanding as we all work together to combat this virus.
