Account Reactivation

Friday, June 24, 2016

If you have previously had a USSF-NC Arbiter group account and you wish to reactivate that account so you can begin the process of recertification and referee registration for the current year, you can use the link below to do so. There is a \$10 non-refundable administrative fee for this process. (If you are a NEW referee do not use this process).

If you can still sign in to your USSF NC Arbiter account DO NOT use this process (unless you simply feel the need to donate \$10 without having to). If you have any doubts you should try to sign in first-- BEFORE using this account reactivation process

Click the link below to reactivate your account.
